

CARE . TRUST . RESPONSIBILITY

SP-5514A TOUCH POS SYSTEM

ADVANCED POS FUNCTIONALITY WITH STYLE

For businesses that need robust point of sale (POS) functionality but don't want to make compromises when it comes to the look and feel of their stores or restaurants, Partner Tech's attractive and stylish all-in-one SP-5514A Android POS is the answer.

The SP-5514A Android POS features a small footprint that can be used even where space is limited. The all-in-one offers options to add a full complement of peripherals including encryption-capable MSR, BIO Reader, and NFC/RFID reader, to keep counters uncluttered.

SPECIAL FEATURES

- Android 5.1 or 7.1
- Bezel-free 14" screen with projected capacitive touch (multi-touch)
- Multiple I/O configurations available

OPTIONAL

- Available in Classic Black, Black & Metallic Grey and Silver & White
- Supports optional guest facing display (2x 20 VFD, 10.1")
- Optional peripherals including encryption-capable MSR, BIO Reader, NFC/RFID reader and EMV reader
